Playtime

The children have the opportunity to use a variety of play and games equipment during morning and lunchtime play. This includes a climbing frame, trim trails, balls, skipping ropes, hoops, stilts and space hoppers. The equipment is very popular with the children and helps to ensure that playtimes pass happily and actively.

We encourage all children to bring a piece of fruit to eat at playtime. The junior children have a fruit tuck shop on a Thursday which is very popular.

Lunchtimes

At lunchtime the children are supervised and cared for by our teaching and learning support assistants.

Our catering staff prepare a healthy menu for the children having school lunches. Universal free school meals are available to all infant children and those families who meet the specified criteria. Please do apply for them if you are entitled. Children receiving free school meals are not identifiable and there is no stigma attached to having them. All you need to do is collect a form from the office and we will apply on your behalf. Children may also bring a packed lunch from home if they prefer.
