Dear Parents and Carers,

Myself and Hilary Watson, (Chair of Governors) are delighted to inform you that following a comprehensive and robust Ofsted inspection of our school on the 10th October it has been confirmed that the school remains good in all the Ofsted gradings:

Effectiveness of Leadership and management – GOOD

Quality of teaching, learning and assessment – GOOD

Personal development, behaviour and welfare – GOOD

Outcomes for pupils – GOOD

Overall effectiveness – GOOD

Safeguarding is effective

I hope you are as thrilled as we are with the confirmation that our school is a good school and that every single member of our team works relentlessly to ensure that your children are taught well and are happy here.

We would like to draw your attention to particular comments from the report;

- Pupils enjoy attending school and talk excitedly about the wide array of activities they participate in
- Parents appreciate the school's 'open-door' policy and the willingness of staff to meet them before or after school to discuss any concerns
- Leaders and teachers regularly check the progress of children so no child is left behind
- There is a strong culture of safeguarding within the school

Please read the full report that has been put onto our website and emailed home.

Two specific targets have been identified on the report which the school and Governors will consider. Action plans will be developed for each target.

On a personal level, I would like to thank the Governors and staff of our school for their whole hearted support to me and their commitment to improving the life chances of every child who attends our school.

Thank you also to you, our parents and families, for your kindness and support towards me, our staff and Buckland Primary, it is really very much appreciated.

Kind regards,

Rebecca Hutton
