

# Buckland Primary School - Anti-Bullying Policy for Pupils

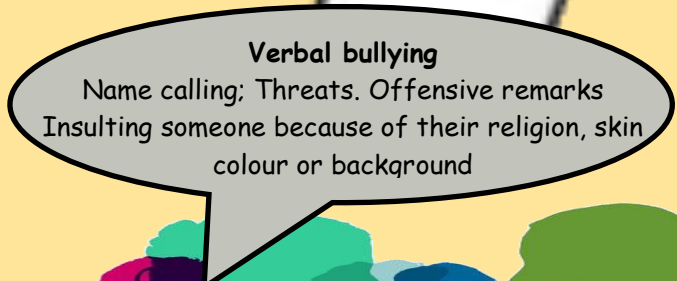

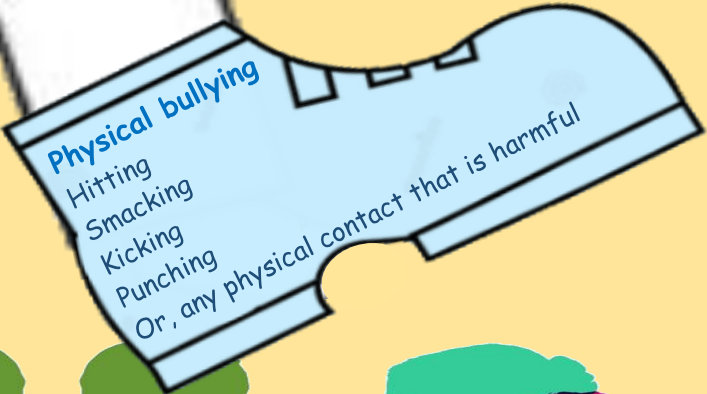

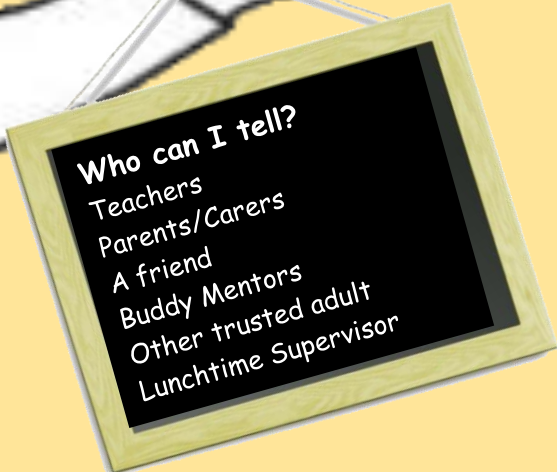

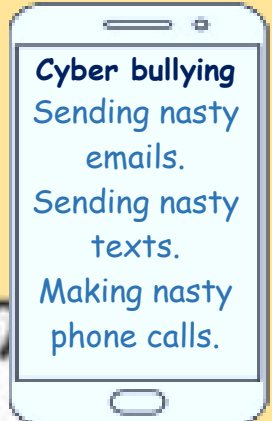

## What is bullying?

Spreading is intentional (not an accident). Bullies hurt someone over and over again. Bullying can be by one person or by a group of people.

## Indirect bullying.

Spreading nasty stories about somebody. Gossiping and leaving someone out from social groups. Stopping someone from having a happy time at school.

If you are being bullied... **Do..** Tell an adult and talk openly, **Ask them to STOP,** Use eye contact and a clear voice to tell them to go away, **Ignore them,** Walk away, **Talk to a friend.** **Do not...** Do what they say; **Get angry; Hurt them; Hide it.** Mrs Mahon is Buckland's Anti-Bullying Leader. You can talk to Mrs Mahon and other adults in school if you are worried about anything.
