Next review	May 2024

In order to do the **BEST** for each pupil, we believe that there should be an agreement between the school and the family over the key aspects of school life. The school will endeavour to provide for your child's needs and will guarantee to provide you with information to keep you informed. In return, the school asks all families to make a commitment to supporting their child. By making this mutual commitment, we believe that your child will be better supported academically and emotionally and achieve the **BEST** they possibly can.
